Important Dates

4/4.....Easter Egg Hunt
4/14-4/17.....Dumpsters
5/9-5/10.....Woods Clean-up
5/14.....Community Meeting

Dear Neighbors,

The Community Board and community members have been actively seeking ways to keep Fairwood a premier community in Pasadena. As we thaw out, more and more neighbors and friends have time to catch up and enjoy walking around our community

- To address complaints about speeding, AA police posted a speed monitoring device in our community. 4,173 vehicles over a week span averaged 33mph. AA police also put our community on a recurring day watch. Please watch your speed for the safety of our children, our walkers, and our pets. The board will take suggestions as far as traffic control and submit them to the county for review. Please forward your suggestions to dmcfarland2004@aol.com. Also according to Sgt. Pleasant, our community does not actively report crime to the Eastern District at 410-222-6145. Therefore, the community is on the long list for a light at the park (which would help to *shed some light* on unwanted visitors).
- Out of the 23 homes that responded to the sign survey, 13 were in favor. The board will have another meeting on May 14th at 6pm at 8224 Fairwood Drive regarding the cost, design, permit process and location (all are welcomed or voice your thoughts to dmcfarland2004@aol.com). The funds for the sign will be separate from dues and will be raised by corporate sponsors and private donations. There will be a representative from a sign company at the meeting to discuss options and cost. A representative from Senator Simonaire's office will also be present to talk about Pasadena and any questions you have regarding our greater community area.
- The board is working on getting the Fairwood web site up and running again by this summer. However the cost has not been determined. Any suggestions regarding the web site should be forwarded to dmcfarland2004@aol.com.

- A few trees have fallen into other trees located directly on Fairwood Drive and have the potential to fully fall causing harm. If anyone in the community knows the owner of these trees, please notify me at dmcfarland2004@aol.com. I am willing to help bring the trees down as long as the owners give permission.
- Any middle school or high school member of our community who wishes to be a member of the community board please email dmcfarland2004@aol.com. The position will allow the person to be active in our community as well as to build experience (and volunteer hours) for the future.
- Special thanks to the following:
 - Brenda Erbe, new board member
 - Karen Shannon for helping with Easter
 - Dan and Sarah Piechowiak and Karen Kennedy for helping out with Christmas
 - Louise Mulvey for organizing Christmas Caroling events and for turning 50
 - Sherry Schoonmaker for providing the board with public record data on our community
 - Paul, Rich, Wayne, Tim, Michael, and Bill for helping with the light pool decorations
 - Jennifer Canapp and Brenda Erbe for organizing and collecting for the Luminaries
 - Luminary Captains for delivering supplies
 - Patrick Smith for stepping up another year and taking care of our common areas

We also have great things in store for 2009:

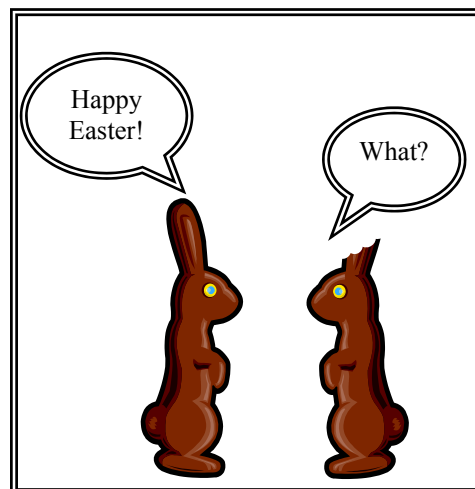

- The park by the pool will be painted, either in June or July depending on weather.
- There will be a community clean up focusing on the woods located to the rear of the community, close to the water. With the help of our community members, AA County has agreed to remove the cars etc. from the woods. Join us on **May 9 and 10** (Rain date 16-17) at 8224 Fairwood Drive at 10AM (coffee and doughnuts on hand!) to help clean up our trails and woods.
- The front of the community (which I and others have been maintaining) is seeing a lot of trash. Please take a few moments and talk with your neighbors and family about not throwing trash onto our streets and about cleaning up what blows in from Mountain Road. Also, any signs will be removed within 40 days of posting.
- Dumpsters are set to arrive on **April 14 by 12pm with pick up on April 17 at 8am**. The dumpsters will be located at the pool. Please regard rules and regulations.

Looking forward to a warm spring!

Dave McFarland
