

While I was checking out the new calf with Fr. Daniel, Fr. Paul Voisin was doing something more constructive, as he began to meet with our seminarians. Fr. Paul has some good stories, and most seem to be listening! Seriously, it is a big honor to meet the Superior General and they were very happy to see Fr. Paul.

Everyone is happy to see each other and to celebrate Phillip's ordination.

Phillip had many family members and friends who traveled a great distance to be present, including Sr. Elizabeth who traveled by bus from our village in Tungi to Butiama. It was great to see her, as she would come to daily Mass at our house when I was there. There was also much to do to prepare and decorate the church.

Finally, the big day had arrived. Phillip's ordination would take place at our parish, Mother Mary of the Precious Blood of Jesus, in Butiama, where Fr. Daniel Hinc, C.R. is pastor. Bishop Michael Msonganzila of the Diocese of Musoma would be the ordaining bishop. Bishop Michael joined Fr. Andrzej, Fr. Paul and Fr. Daniel for breakfast before the ordination. Meanwhile, people were gathering and preparing outside.
