

*What is St. Bernadette's*

# Casserole Project?

St. Bernadette parishioners donate frozen home-made or store-bought casseroles which are delivered to the *Seventh Day Adventist Community Center* on Aquahart Road in Glen Burnie. Their homeless and needy families are fed a warm lunch and given one of our frozen casseroles to take with them for another meal.

You can participate by bringing a casserole to Saturday or Sunday Mass on the **THIRD** weekend of each month and placing it, marked with your name, in the St. Bernadette kitchen freezer.

If you are interested in participating in this project, please contact Lorraine Tishey at 410-551-5082 or at [latish@verizon.net](mailto:latish@verizon.net).

*Thank you!*
